**Monitor Hickey Files *Independent Monitoring Report 12*,
*Urges the City and the CPD to Maintain Momentum and Continue Building Community Trust***

CHICAGO—Independent Monitor Maggie Hickey filed [*Independent Monitoring Report 12*](#) with Judge Rebecca R. Pallmeyer in the U.S. District Court for the Northern District of Illinois. The report is an update to the Court and the public on the City of Chicago’s and the Chicago Police Department’s compliance progress through the twelfth reporting period (January 1, 2025, through June 30, 2025).

Overall, through June 30, 2025, the City has now achieved at least Preliminary compliance with about 94% of the original monitorable paragraphs (or 518 paragraphs), at least Secondary compliance with about 66% of paragraphs (or 365 paragraphs), and Full compliance with about 23% (or 128 paragraphs). In addition to paragraphs where the City and the CPD maintained compliance, the City gained additional levels of compliance with about 82 paragraphs—or about 15% of the original monitorable paragraphs—including 36 paragraphs that moved into Full compliance.

Monitor Hickey said, “*While considerable work remains, CPD leadership continues to prioritize the Consent Decree, and it is making a meaningful difference. Sustained focus, transparency, and partnership with Chicago’s communities will be essential to turn this momentum into self-sustaining compliance.*” During this latest reporting period, the City and the CPD also sought to address elements of the IMT’s *Comprehensive Assessment*. For example, in furtherance of its community engagement and transparency efforts the CPD dedicated significant resources to providing opportunities for community members to observe, participate in, and provide feedback for CPD training.

Monitor Hickey added, “*During the unprecedented challenges in our city, we extend our gratitude to the CPD officers, public servants, and community members who continue to dedicate themselves to protecting the rights and safety of all Chicagoans. The CPD’s ability to maintain and build internal and community trust will continue to be paramount in sustaining effective and constitutional policing.*”
