Compliance Assessments

Community Policing: ¶13

13. In 2017, the Superintendent accepted CPAP’s recommendations, and CPD began to implement some of the recommendations, namely, the creation of the Office of Community Policing, which reports directly to the Superintendent and is responsible for overseeing the implementation of CPD’s community policing efforts. CPD will, within 90 days of the Effective Date, develop a plan, including a timeline, for implementing CPAP’s recommendations, consistent with the requirements set forth in this Agreement.

(Reporting Period: July 1, 2023, through December 31, 2023)

Preliminary: *In Compliance (FIRST REPORTING PERIOD)*

In the ninth reporting period, the City and the CPD regained Secondary compliance with the requirements of ¶13.

Notably, the CPD posted and completed the *CPAP Quarterly Reports* for the last quarter of 2022 or and the first three quarters of 2023. The IMT continues to encourage the CPD to produce quarterly reports in a timely manner to avoid losing Secondary compliance again in the future.

For Full compliance, the IMT will continue to monitor the CPD’s efforts to evaluate the effectiveness of its implementation effort.

A fuller description of the history of compliance efforts, methodologies, compliance determinations for this paragraph—and each original monitorable paragraphs in the Community Policing section—is available in *Comprehensive Assessment Part I* (which included *Independent Monitoring Report 8*): <https://cpdmonitoringteam.com/wp-content/uploads/2023/11/IMR8-Appendix-1-Community-Policing-2023.11.01.pdf>.

During this reporting period, the CPD provided evidence of language concerning arrestee transport in its *Recruit Juvenile Processing* training. The CPD also provided documentation showing that at least 95% of the required personnel attended the training. With this, the CPD reached Secondary compliance in the ninth reporting period.

Moving forward, to maintain Secondary compliance, the CPD must submit training records and evidence in the tenth reporting period that the training includes language prohibiting the transport of individuals where known rival gang members and/or enemies congregate.

For Full compliance, the IMT expects the CPD to provide further evidence of training evaluation and supervisory mechanisms that ensure policy adherence and documentation of juvenile transport outcomes.

The CPD provided a report to the IMT listing a sample of these activities throughout the districts and a summary report for the annual activities. Moving forward, the IMT expects more periodic updates from the CPD of its ongoing public-awareness campaign and annual programs.

To achieve Full compliance, the CPD must institutionalize this practice and assess its effectiveness.

In the ninth reporting period, the CPD worked to conduct inspections on an annual basis to ensure signage is in each District consistent with ¶30 and the requirements codified in its *Processing Persons under Departmental Control* policy (G06-01). The CPD stated it would utilize an audit team to annually review signage requirements in each district and the IMT awaits the audit results.

The City and the CPD maintained Full compliance, and the IMT looks forward to the CPD's efforts to document, track and verify the completion of annual inspections of required signage in the tenth reporting period regarding the audit team and the adherence to the requirements of ¶30.

Community Policing: ¶32

32. Within 180 days of the Effective Date, CPD will review and revise its current policies relating to youth and children and, within 365 days, will revise its training, as necessary, to ensure that CPD provides officers with guidance on developmentally appropriate responses to, and interactions with, youth and children, consistent with the provisions of this Agreement and as permitted by law.

Compliance Progress (Reporting Period: July 31, 2023, through December 31, 2023)

Preliminary: In Compliance (NEW)
Secondary: Not in Compliance
Full: Not Yet Assessed

In the ninth reporting period, the City and the CPD gained Preliminary compliance with the requirements of ¶32.

Notably, the CPD finalized and posted *Interactions with Youth and Children* policy, G02-05, on December 29, 2023. This policy is a critical step forward, and the IMT is encouraged by the finalization of this policy.

As discussed with the CPD, the IMT continues to believe that more community engagement is necessary for G02-05. Moving forward, and to maintain Preliminary compliance, the IMT will continue to monitor the CPD’s efforts to review and revise its youth-related directives and trainings curricula in collaboration with Chicago’s communities, including those who provided significant feedback during the last policy cycle. To achieve Secondary compliance, the CPD must finalize and deliver all relevant training for implementing the requirements of this paragraph and G03-05.

37. Consistent with the requirements set forth in the Training section of this Agreement, CPD will incorporate the philosophy of community policing into its annual in service training for all officers, including supervisors and command staff, by providing training on the following topics: a. an overview of the philosophy and principles of community policing, consistent with this Agreement; b. methods and strategies for establishing and strengthening community partnerships that enable officers to work with communities to set public safety and crime prevention priorities and to create opportunities for positive interactions with all members of the community, including, but not limited to, youth, people of color, women, LGBTQI individuals, religious minorities, immigrants, individuals with limited English proficiency, homeless individuals, and individuals with disabilities; c. problem-solving tactics and techniques; d. information about adolescent development and techniques for positive interactions with youth; and e. effective communication and interpersonal skills.

Compliance Progress

(Reporting Period: July 1, 2023, through December 31, 2023)

Preliminary: *In Compliance* (FOURTH REPORTING PERIOD)
Secondary: *Under Assessment* (NEW: LOST COMPLIANCE)
Full: *Not Yet Assessed*

In the ninth reporting period, the City and the CPD maintained Preliminary compliance. The City and the CPD lost Secondary compliance with ¶37 by not providing evidence that the requirements stipulated in this paragraph for annual in-service training were offered or covered throughout other mandated in-service trainings.

During this reporting period, the IMT continued to raise concerns as to whether the requirements under ¶37 are sufficiently captured in annual training. The IMT again urges the City and the CPD to consider committing to a community policing module for annualized in-service training that covers this paragraph’s required elements and other community policing principles.

To regain Secondary compliance, the CPD must provide annual in-service community policing training or more clearly demonstrate that inclusion of course requirements are fully covered in other delivered curricula. To achieve Full compliance, the CPD must demonstrate both effectiveness of training in reinforcing community policing concepts and further application of these concepts in CPD officer practices.

This evaluation will include input from CPD members, including officers assigned to work in CPS schools, school personnel, families, students, and community stakeholders. Any revisions to CPD’s policies and procedures regarding officers assigned to schools will be submitted to the Monitor and OAG in accordance with the requirements of Part C of the Implementation, Enforcement, and Monitoring section of this Agreement.

During the ninth reporting period, the CPD and Chicago Public Schools completed and posted the *SRO Annual Report* for the 2022-2023 school year and reported on SRO program activities, evaluative data, and policy revisions. During the IMT’s October 2023 site visit, CPS shared a working proposal—for consideration by CPD and other parties—to establish SRO mobile patrol units to expand coverage.

The IMT understands the challenges in producing an annual report immediately after completion of school year. Moving forward, the IMT expects the completion of the annual report in a timely manner, as well as implementation of evaluative processes for this requirement to achieve Full compliance.

During the ninth reporting period, the City and the CPD maintained Preliminary, Secondary, and Full compliance.

For two years, the CPD and Chicago Public Schools (CPS) have continued working together and annually entering a MOU consistent with law and best practices and reflecting extensive community input results in a Full compliance assessment. The CPD and the CPS continues with its annual update of the MOU, which is consistent with law and best practices, reflecting extensive community engagement.
